	Submitted.	
	In file No. AFD 104 FAF 64, L.D. has advised that the appointment of Dy. Comm. as the Appellate Authority under Sec. 14 of the Madras Forest Act, 1882, will lead to complications if the Dy. Comm. does not satisfy the required conditions viz. that he should be an officer of Rev. Deptt. with 12 years' standing. Consequent to this, the C.C.F. has suggested the appointment of Sub. Comm. as the Appellate Authority. The said file has been submitted on 2-8-65 for being referred to R.D. Hence, this file which has a similar Notification may be taken up after the form of Notification to be issued under Sec. 4 of the Madras Forest Act, 1882, is finalised in file No. AFD 104 FAF 64. For orders. (4)

70	71	30	600
71	0	5	260

Tie Line: A tie line runs from station 9 (cairn 24) of Golihole Block II to station No.78 (C.No.70) of Golihole block I at a bearing of 31° a distance of 1570 links.

Right of ways: Road Byndoor Kollur P.W.D.road - Starting from Byndoor the road enters the block between cairn 92 and 93 of Block I and runs across the block towards south east and leaves the block in between cairn No.102 and 103. Again it enters the block between cairn No.108 and 109 and runs along the demarcation line and leaves the block near cairn No.7 and reaches Kollur.

Cart track No.I - Starting from Byndoor - Kollur road, the cart track enters the block between cairnNo.9 and 10 (block I) and goes throughmx the block towards south west and leaves the block between cairn No.70 and 71 and again enters the block No.II between cairn No.23 and 24 and emerges out between cairn No.3 and 4 and once again enters the block between cairnNo.1 and R.F.cairn No. 100 and quits the block between c airn No.62 and 63 leading to Jammane.

p.t.o.

East: from station 10 the boundary line runs to south to station No. 14 after passing the middle station 11 to 13, a total distance of 1670 links. From station 14 to south east of the block to station 18 after passing intermediate ~~in~~ stations 15 to 17 a total distance of 1335 links. From station 18 the line runs to south east to station 26 after passing through the intermediate stations 19 to 25 a total distance of 2800 links. From station 26 again the east to station 28, after passing through the middle station No.27, a total distance of 400 links. From station 28 the line runs along the Kollur river margin to south east to station 31, after passing through the middle station 29 and 30 a total distance of 915 links. From 31st station the line runs further along the river margin to station 35 (south west of the block) after passing through the middle station 32 to 34 a total distance of 2335 links, with the following bearings and ~~in~~ distances.
